Bentley

2023 GOING DIGITAL AWARDS IN INFRASTRUCTURE

Calling All Bentley Users!

You are invited to nominate a project for the 2023 *Going Digital Awards in Infrastructure*!

The *Going Digital Awards in Infrastructure* is an exciting and well-regarded global program that recognizes digital advancements in infrastructure. Since 2004, the Awards program has recognized over 4,700 of the world's most outstanding infrastructure projects.

Top reasons to nominate your project

Nominating your project is the first step toward gaining global recognition for your infrastructure project.
Take a look at the benefits and rewards of becoming a nominee, finalist, and winner.

Nominees
- Project showcased in the *Infrastructure Yearbook*
- Certificate of participation
- Project promoted to a global audience via Bentley's marketing and public relations activities

Finalists
- Sponsored trip to Singapore to present your project before jurors, peers, and global media
- All finalists are honored at the awards ceremony and receive a finalist trophy
- Several opportunities for networking and media interaction
- Opportunity to present as a guest speaker at Bentley-hosted events, webinars, and industry events
- Project summary posted on Bentley's website

Winners
- USD 1,000 charitable donation in the winning organization's name
- Global press release recognizing the winners in each category
- Custom design, hand-made winner trophy and framed photo of the winning organization's representative accepting the award

From Design, to Construction, to Operations

The categories for the 2023 *Going Digital Awards in Infrastructure* encompass all forms of infrastructure projects and stages. Which of the 12 categories is the best fit for your project?

Bridges and Tunnels • **Construction** • **Enterprise Engineering** • **Facilities, Campuses, and Cities** • **Process and Power Generation** • **Rail and Transit** • **Roads and Highways** • **Structural Engineering** • **Subsurface Modeling and Analysis** • **Surveying and Monitoring** • **Transmission and Distribution** • **Water and Wastewater**

Submit Your PROJECT in 3 Easy Steps!

1 Fill in the online nomination form

2 Upload three high-res images

3 Accept the terms of the participation agreement
