

Bentley Systems 2021 Talent Management and Diversity, Equity, and Inclusion Data

Bentley is a global company and with key operational teams located around the world. We reflect the planet's peoples and cultures - we are engaged, functioning members of the global community. Our successes are determined by the skills, dedication, and involvement of our extraordinary Bentley colleagues, and the diversity of their contributions.

As part of our ESG strategy, we commit to report annually on key data for our talent management as well as our diversity, equity, and inclusion practices. We seek to manage these indicators each year and to demonstrate progress over time as part of our commitment to our colleagues and to ESG practices.
